Seth and Victoria,

Will Defendants first inform Plaintiffs for which entities they will agree to accept service or process?

Additionally, if any defendant believes that a third party did not perform any work or does not possess any documents relating to the issues in this MDL, please let us know.

Thanks,

Marlene

Marlene,

Counsel for ZHP and Solco also would like to have a call, and it would be helpful to see the draft subpoenas or the list of information you are seeking from the third parties in advance of the call.

Thanks Marlene, yes on behalf of Teva it would be helpful to set a call on this. Can you also send us the draft subpoenas ideally or at least a list of what information is being subpoenaed?
